

PROJECT KANDWAR

www.projectkandwar.org

it takes a world
to raise a village

projectkandwar
one village at a time

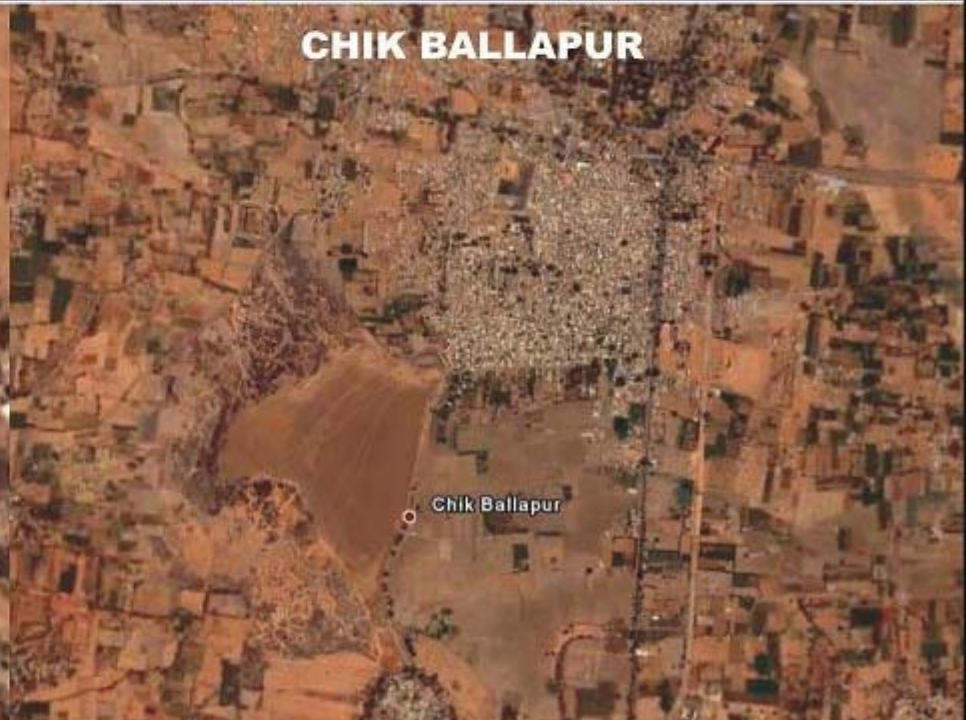

Mission

Project Kandwar is a multi-organizational effort at transforming the settlement of Kandavara into a micro-city or *pura* with all the modern amenities akin to a self-reliant village in Canada and Sweden.

Where is Kandavara?

Completed Projects

- The *K. V. Educational Trust* NSS Clean Up Camp
- Heritage School Rehabilitation by *DRRT*
- Filing the World Bank Funding Application
- Local Leadership for Transformation
 - *Kandavara Development Committee (KDC)*
 - *Kandavara Task Force (KTF)*
- Identification of Needs in Kandavara
- Creating the *Canadia Trust* for Educational Purposes

Completed Projects.. *Contd..*

- Rainwater Harvesting on the Heritage Primary School
- Improving the Dilapidated Dwelling Units
- *Sai Maa Foundation* Grant of Pills and their Distribution to the Needy
- Debris Removal from Sewer Gutters
- Profiles of Three Poorest of the Poor Families

Community Involvement

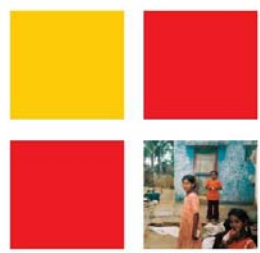

School Rehabilitation

BEFORE

AFTER

NSS Camp @ Kandavara

BEFORE

AFTER

Kandavara

 Kandavara, which is Ward 14 of City Municipal Corporation Chikballapur, is one of the selected settlements where the concept of Kandavara is implemented through the mechanism of *Project Kandwar*.

Operational Model

KDC – Kandavara Development Committee,

KTF – Kandavara Task Force, Kandavara

TEHF – The Eighteenth Horse Foundation®, Bangalore

Project Kandwar – Charitable Trust, Canada

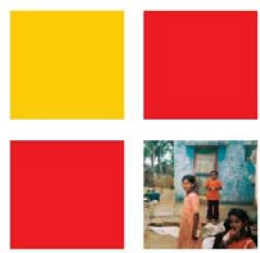

Tripartite Partnership

No one particular group is identified for an activity, such an activity is being carried out by the tripartite partnership, namely,

- (1) The *Kandavara Development Committee (KDC)* of elders and the *Kandavara Task Force (KTF)* of youth at the local level;
- (2) The *XVIII Horse Foundation (TEHF)* in Bangalore; and
- (3) *Project Kandwar (PK)* in Sudbury, Ontario, Canada.

“We”, in this document, means this tripartite partnership.

Needs Identification

- Basic amenities available in the village
- Availability of, and access to welfare institutions
- Resource base and resource utilization
- Employment status of residents
- Existence of village based organisations / groups / committees
